State Personal Income:

The figures for 2001 through 2008 are averages of the four quarters ending in September, e.g., the FY 2008 figure is the average of the last quarter in calendar 2007 and the first three quarters in calendar 2008. The source is the U.S. Bureau of Economic Analysis at URL <http://www.bea.gov/regional/sqpi/>.
2009 - 2011 are personal estimates based on interpolating the calendar year projections of the Research Seminar in Quantitative Economics, University of Michigan, as of September 2009.
