

10/2/2019

Ms. Lazarus, Mr. Johnson, et.al,

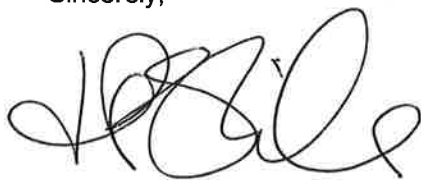

On behalf of the Ann Arbor Administrator's Association, I would like to formally endorse the AAPS 2019 Capital Bond on the ballot for November 5, 2019.

We formally voted on the endorsement as an Association. We recognize and are excited about some of the highlights of the bond you mentioned including:

- A 15 to 20-year construction cycle creating new local jobs and economic development.
- Major infrastructure improvements, renovation, and upgrades to all 35 buildings emphasizing safety and security, environmental sustainability, leveraging geothermal and solar power. Keeping up with ever-changing technology needs will be a priority throughout the construction cycle.
- Accommodate student needs and growth - Improve and expand our schools to optimize learning environments and ensure the health and well-being of all students and staff.
- Ensuring equal student access to musical instruments, gardens and outdoor spaces, cafeteria services and a safe bus fleet.

Please feel free to use the endorsement from the Ann Arbor Administrator's Association on any literature or statements you release. We have shared your information with our members. Please feel free to reach out with other requests within our purview to accommodate.

Sincerely,

Jason P. Skiba
President
Ann Arbor Administrator's Association
